

## New York Hotels Crowne Plaza Times Square Manhattan

### Hotel Description

The Crowne Plaza of Times Square Manhattan is the perfect destination for anyone interested in being right in the center of New York City's biggest attractions. It is located on Broadway and is within close proximity to many other tourist areas, such as Central Park, Rockefeller Center, and Radio City Music Hall.

There is a total of 795 guest rooms in the hotel. Each room includes features such as high-speed internet access, cable, and Templespa bath amenities. Guests can select from a few different 323-square-foot rooms, such as traditional King or Double suites. They can choose to upgrade to have an upscale King or Double room overlooking a Times Square view.

The Crowne Plaza is not only near all the dining and attractions of New York City, but it also includes a classic dining option within the hotel overlooking Times Square as well as a stylish Bar & Lounge near the hotel lobby. In addition, there is an in-room dining option where guests can request delivery to their hotel rooms daily.

There is 25,000 square feet of private event space within the hotel. This includes 28 meeting rooms and 2 ballrooms where a variety of special events can take place. A full-service fitness center is also included for any guests that still want to exercise while they are away from home.
